

Mediterranean Visual Journal

1 Credits

Lecturer: Courtney D. Coyne-Jensen (CDCJ)

Course Assistant: Matthew Johnson (MJ)

Meeting Location: V7 Basement

The course is required for students participating in the optional study tour "Mediterranean Visual Journal."

The course provides a hands-on exposure to a series of techniques, methods, and media for recording and analysing the environment through freehand drawing. Skills are developed by keeping a well documented and highly detailed sketchbook (visual journal) throughout the course and the tour.

The study tour will take place on the island of Mallorca.

The tour will be led by Courtney D. Coyne-Jensen and Matthew Johnson.

Day	Date	Session	Time	Topic
